The owner of every animal, including but not limited to cats and dogs, shall remove any fecal matter deposited by such animals on public walks, streets, recreation areas or private property of another. It shall be unlawful for the owner of any property to allow unsanitary or malodorous conditions to develop on his property due to the keeping, maintaining, owning or harboring of animals. Yards, pens, premises and animals shall be kept free of insect infestations.

Animal pens or enclosures shall be large enough to provide reasonable freedom of movement to the animals contained therein.

No owner of an animal shall abandon such animal or fail to maintain such animal in a healthy condition or to provide appropriate veterinary treatment immediately if ill.

No owner shall fail to provide his animals with sufficient good and wholesome food and water, proper shelter and protection from the weather and to generally provide humane care and treatment. If probable cause exists to believe that any animal or animals, including but not limited to dogs and cats, are kept under such conditions as to constitute a nuisance in violation of this ordinance, the Police Department or Animal Control division may issue a written warning of offending nuisance conditions. If a previous warning has been issued within the past twelve (12) months of a second charge of violation of this section, and the same or similar offending nuisance conditions are found on the premises cited, then, if convicted, a mandatory fine shall be assessed against the person in the amount of one hundred eighty-nine dollars (\$189.00) and the condition ordered to be corrected. "Severe injury" means any physical injury that results in broken bones or disfiguring lacerations requiring multiple sutures or cosmetic surgery.

Incurably injured or diseased animals, etc. It shall be the duty of the police and/or a duly authorized animal control officer to see that any animal suffering from an incurable injury or disease is humanely euthanized with an injection at the animal shelter by a veterinarian or a qualified individual (as defined by the state). In such cases of humane euthanization, reasonable efforts not to exceed forty-eight (48) hours shall first be made to locate the owner of any such injured or diseased animal unless the animal cannot be made comfortable for that period. If the animal is in a continual state of suffering, the euthanization shall be performed immediately. Furthermore, it shall be the sole duty of the police (on behalf of the city) as the sole effective means of controlling a public nuisance or health hazard to mercifully end the life of an animal by the discharging of a firearm.

may be taken by the police or animal control officers and impounded in an enclosure or animal shelter kept for that purpose, to be provided and maintained by the city, and there confined in a humane manner. Impounded dogs and cats not suffering from an injury or infectious disease shall be kept for not less than five (5) days.

For other unclaimed animals deemed pets, such will be sent to appropriate rescue services or shelters that meet the specific needs of the animal. All adopted cats and dogs shall be provided vaccinations prior to adoption as appropriate. If the cat or dog has not been sterilized prior to adoption, it shall be the responsibility of the new owner to have this procedure performed.

The five (5) day waiting period shall be waived for a vicious or feral dog, or for any animal suffering from an infectious disease. Pursuant to MCA 1972, 97-41-3, an injured or neglected animal may be humanely euthanized without any waiting period

IMPOUNDMENT OF ANIMALS ATTACKING, INJURING PERSONS; DESTRUCTION OF RABID ANIMALS

If impounded by the city, and such animal does not have rabies, the animal may be taken possession of by the owner at the end of the quarantine period as designated by a qualified veterinarian, upon payment of the designated fee.

RELINQUISHMENT OF CATS AND DOGS

If a resident voluntarily relinquishes a cat or dog to the animal shelter, there will be a fee. The cat or dog will become the property of the city and shall be placed for adoption in a suitable home for a fee or humanely euthanized, whichever is deemed necessary by the animal shelter director.
